

THE LORD MAYOR OF SYDNEY
CLOVER MOORE

Message from the Lord Mayor of Sydney

From its first use in 1901, the Australian National Flag has been a potent symbol of a democratic nation united in our values of freedom, inclusion and respect.

Under our National Flag, Australians have fought in wars; celebrated triumphs, and welcomed new citizens to our country. It is an emblem of our achievements, diversity and shared identity.

On this 115th anniversary, our National Flag continues as a symbol of pride for many and a reminder of our great fortune to live in this beautiful land.

Yours sincerely

Clover Moore
Lord Mayor of Sydney
